Beethoven: Complete Works for Cello and Piano  
Zuill Bailey, cello; Simone Dinnerstein, piano  
Telarc

A bolder, more satisfying account of Beethoven's five sonatas for cello and piano is hard to imagine. Zuill Bailey and Simone Dinnerstein make ideal interpreters, celebrating the surprises, heat and tenderness that make each score unique. While perfectly balanced in relation to each other, the players also don't hesitate to push where others relent, to infuse the music with exceptional degrees of intensity and vigor.
